TARGET MARKET AND POSITIONING

The **Epson Expression® Premium XP-6100,** replaces the Epson Expression® Premium XP-6000, is aimed at the home market. For users who demand high quality photo output for creative printing and projects, without sacrificing their important text document printing. These users require functionality flexibility and productivity enhancement delivered by a feature-rich and high performance solution, without compromising their creativity and lifestyle.

All-Purpose Small-in-One

A compact and stylish Small-in-One multifunctional printer, the **Expression® Premium XP-6100** has all the functions the customers need for photos, documents and more. Print stunning borderless photos up to A4 and for easy photo enhancements use the built-in Automatic Photo Correction and red-eye removal. Customise creative projects or archive special moments with the dedicated **CDs/DVDs tray** for direct printing.

The XP-6100 also features the ultimate in **wireless printing**[2], making it easier than ever to **print from iPad®, iPhone®, tablet or smartphone**, whether at home or out and about. You can also scan documents and save them to the cloud[5] for easy access and collaboration**.** Plus, **Automatic 2-sided printing** saves time and paper, while the compact design saves valuable desk space. This powerful printer is ideal for delivering stunning photos and documents with sharp text. Fast and easy, the XP-6100 is perfect for a busy family.

Innovative print technology for borderless photos and sharp text

Print and display lab-quality, borderless photos, 4" x 6", 5" x 7" and A4 (8" x 10") anytime. Share them with family and friends, or print intricate documents with crisp, sharp text.

Ultra-powerful performance, ultra slim design
Get the best of both worlds: powerful performance and a sleek, compact design. This versatile Small-in-One printer has all the tools for photos, documents and more while saving valuable desk space. It even includes built-in templates for lined paper and calendars.

The ultimate in wireless printing[2]
Simple wireless connectivity allows the XP-6100 to be shared with multiple computers and mobile devices. Setup couldn't be simpler. Choose from using an existing network with **802.11b/g/n** or **Wi-Fi Direct**[2] which means no wireless network

is required, making peer-to-peer printing easy, you can even connect up to four devices at once.

Productivity anytime, anywhere

Easily print from tablet or smartphone using Epson Connect™[3]. Wirelessly print documents, photos, emails and web pages whether at home or on the go. Scan documents and save them to the cloud[5] for easy access and collaboration. Supports Android™, Apple® iPad and iPhone, Chromebook™, Kindle Fire™, Mac® and Windows® devices.

Easy to print

PC-free photo printing made easy

Navigating the printer menu is easier than ever with the **2.4" LCD and touch pad;** you can preview, edit and print photos without a computer using the **built-in USB and memory card slots[4].**

Print from iPad® or iPhone®

Apple® AirPrint™ makes it simple to print photos, emails, web pages and documents straight from an iPad® or iPhone®. There's no software to download, no drivers to install and no cables to connect. Apple® iOS® device will automatically connect to the printer.

Share Google® content

Print on the go from a smartphone or tablet using Google Cloud Print™ via Gmail™ or a Google Drive™ account. Plus, print from Chromebook and Google Chrome™ without installing drivers or connecting cables. It's now even easier to share Google content from anywhere.

Easy photo enhancements

Built-in Auto Photo Correction automatically evaluates and corrects digital images. It even includes advanced face detection, correcting the colour to ensure beautiful, natural skin tones, plus **easy red-eye removal** for perfect photos every time.

Easy to share

Scan and share instantly

Share special moments quickly and easily to Facebook®. Plus scan important documents and send them to popular cloud services[5]. Just install the included software and it's ready to get started.

Creative projects made easy

The XP-6100 is always ready to print photos with its dedicated photo tray, there's no need to waste time switching to photo paper. Plus, direct CD/DVD printing means the user can quickly and easily create high-quality, customised discs using their own images and text.

Dedicated Photo Tray   **Direct CD and DVD printing**   4

Brilliant Results. Great Value with Epson Claria Premium Inks

Deliver brilliant, ultra sharp detail on plain and specialty paper with the use of the pigment black ink, whilst utilising the four dye based inks to produce stunning photo prints. Making this **five cartridge ink system**, the ideal ink set for customers who print a mixture of documents and photo prints.

With **individual ink cartridges**, users **only replace cartridges as needed**, rather than the conventional process of having to replace an entire cartridge despite only having consumed one of the many colours it contains. Plus, users can save more by buying the high capacity 302XL ink cartridges, printing 2 x more than the standard capacity[7] or save further with the option of purchasing value packs.

The Epson Expression® Home XP-6100 is backed by a 1 Year warranty.

2 Year Return to Base Epson CoverPlus provides an additional two years; covering parts, labour & on-going technical support.

[1] Colour photo in Draft Mode on Premium Photo Paper Glossy measured from start of paper feed. Actual print times will vary based on system configuration, software, and page complexity.

[2] Wi-Fi 802.11 b/g/n certified; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software.

[3] Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. See **www.epson.com.au/connect** for a list of Epson Connect enabled printers and compatible devices and Apps. Adapter may be required.

[4] Adapter may be required.

[5] Requires Easy Photo Scan software (included). Mac version may require software download.

[6] Smudge, scratch, water and fade resistant on Epson photo papers. For CDs/DVDs, resistant only on specially-treated discs.

[7] Approximately 2 times more prints per cartridge compared with the model 302 standard capacity ink cartridges.
