

Wired Desktop 600

Designed by Microsoft™

Productivity at your fingertips. Full-Size, Reliable, Spill-Resistant Plug-and-Play

Confidently connected and undeniably understated, the Incase Wired Desktop 600, Designed by Microsoft™, is an all-in-one setup. The spill-resistant keyboard and optical mouse feature a plug-and-play setup, paired with quiet-touch keys and quick access to one-touch media controls, plus a full number pad and ambidextrous mouse.

Features:

- Designed by Microsoft™
- Plug-and-play - no software needed. Just connect the keyboard and mouse to your PC via a wireless USB transceiver and go
- Quiet, responsive, thin-profile keys
- Simply press the Window's start menu key to view your apps and start menu
- Media center has four shortcut keys to let you control the most used media activities (play/pause, volume up, volume down, and mute)
- Calculator shortcut key with the touch of a button
- Spill-resistant design to withstand accidental messes while you work
- Mouse is comfortable to use in your right or left hand; the scroll wheel allows you to move through documents and webpages quickly
- Mouse built with high-performance optical technology that delivers greater accuracy and control using the 800-dots-per-inch (DPI) optical sensor
