

Wireless Desktop 900

Designed by Microsoft™

Productivity at your fingertips. Wireless, Minimalist, All-In-One

Modern and full-size, the Wireless Desktop 900, Designed by Microsoft™, is a sleek desktop solution informed by a contemporary minimalist aesthetic. Featuring quiet-touch keys and a full-size, dual-handed mouse, the desktop pairing is intended to offer a satisfying typing experience. Fully encrypted and with an up to 2-year battery life, the keyboard and mouse deliver precision performance without any hesitation.

Features:

- Designed by Microsoft™
- Responsive, quiet-touch keys for comfortable, dynamic typing
- Plug-and-play wireless USB transceiver designed to establish a reliable connection at a range of up to 30 feet
- Shortcuts provide easy access to your most commonly used functions
- Comfortably work with a full-size mouse purposefully designed for precise navigation
- Use the ambidextrously designed mouse with either your left or right hand
- Average 2-year battery life for both the keyboard and mouse
- Advanced Encryption Standard (AES) 128-Bit Encryption
