

Wireless Mobile Mouse 1850

Designed by Microsoft™

Precision. Comfort. Versatility. Portable Performance, Colorful Creativity

Comfortable, colorful, portable. The Wireless Mobile Mouse 1850, Designed by Microsoft™, is made for life on the go. With built-in transceiver storage and a comfortable, ambidextrous design, its scroll wheel and compact silhouette make it ideal for creativity on your terms.

Features:

- Designed by Microsoft™
- Use with either your left or right hand — the ambidextrous design makes it comfortable either way
- Scroll wheel — move through documents and web pages quickly, smoothly, and efficiently
- Comfort and portability — compact design made to fit in your hand, wherever you go
- Plug-and-go nano transceiver — leave the nano transceiver plugged in for quick connectivity, or safely stow it in the mouse when you're on the go
- Use for up to six months without having to change batteries
- 2-year limited warranty
